

Do you keep the right company?

£100 voucher of your choice for recommending a new applicant to Tay.

We are currently experiencing unprecedented growth and are keen to encourage more applications from PAs, secretaries and office support staff looking for their next job move. If you recommend somebody who joins Tay's temporary team and represents us positively and professionally, or is placed by Tay in a permanent or contract role, you may choose vouchers from John Lewis, Top Shop, House of Fraser or Marks and Spencer.

Make sure your name is given when your recommendation registers with us.
